"If you want to be happy, be."

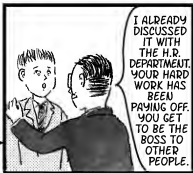

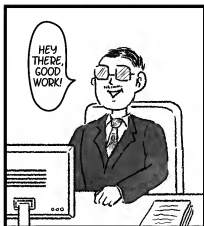

This story
begins
back when
I was still
working
in an office...

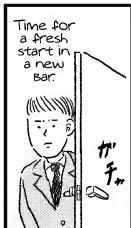

YES,
UNDER-
STOOD...
I'M
ON MY
WAY.

EXCUSE
ME...

I was
suddenly
called in by
my sleazy
boss.
Was I
going to
be scolded?

I also want to be spoiled
by hot men at work!

He doesn't even
look that good!

Wait, I got it!

Perhaps I
should write
down
incidents
that I want
to turn into
comics later.

Lately,
I've been
quite
forgetful.

Let's see, Kenji was
planning to meet
his boyfriend's
affair to call
him out.
That's gonna
be quite the
spectacle.

And last month,
Yumi didn't catch
up on dying her
greying hair,
and now
everyone
knows she's
menopausal!

Haha,
it's almost
like I'm writing
a Burn Book!
So much fun.

I want to tell this
woman a secret,
so please sing into
this microphone
like an *otohime*
for a bit.

TL NOTE: **OTOHIME** (LIT. SOUND PRINCESS) ARE MELODIES AND SOUNDS PLAYED
IN (MOSTLY WOMEN'S) PUBLIC RESTROOMS TO MASK THE EXCRETION SOUNDS

Chaser

Hmm,
let's see.
maybe I'll have
a cassis short.
But then again,
I'm on a diet, hmm.

Here!
One
tequila!

Chaser

Why do men
call me ugly?
That's so
mean..

They're only
mean to you,
so stop
crying,
please

Not in

he isn't!
I am the

so bring me
sake as an
